

LOCAL 21 CAT Letter

May 2nd, 2022

Bargaining Countdown

With our local contract expiring in October, the Union and Company have confirmed bargaining dates for June 6th - 8th & June 20th - 23rd. Be sure to wear your Union shirts on these dates as a sign of solidarity.

Picnic

To help kick-off the bargaining, Local 21 will be hosting a picnic for all union members and their families at Pioneer Trail Park on Friday, May 20th beginning at 3pm. The picnic will include food, beverages, prizes, and games for all ages. Contact Donna Dams 282.3430 or Kari Noel 280.2880 from our Women of Steel group to let them know how many will be attending so we can ensure there's enough for everyone!

Survey

We will be distributing and mailing contract surveys to the membership beginning today. Please take the time to fill one out fully. It is crucial that we get as much feedback from all the members to properly represent all of us at the bargaining table.

Surveys can be returned to a committee member or dropbox in the USAT office. Additional dropboxes will be available for outside areas.

Those who fill out a survey and return it by May 20th will be entered into a raffle at the picnic for prizes.
